

Introducing the NEW Monarch Tray™ range

Our fantastic new range of trays have been truly designed for the 21st century!

Create inspiring learning environments with our trays - available in four different sizes and over 20 industry standard colours. You can be sure that we have something to suit your requirements.

Manufactured in the UK from 100% polypropylene, our trays are virtually indestructible, shatterproof and will stand up to the rigours of daily use in any learning environment.

The Monarch Tray™ range will fit all standard school furniture so upgrading to our trays will be as easy as 123.

Our trays are manufactured to last but at end of life they can easily be recycled.

Monarch Tray™ Features
